

TARA Meeting Minutes November 12, 2025 via Google Meet

Alan WO9G opened the meeting at 7:07 PM

The meeting minutes for October have been posted via discord and emailed

Earle gave treasurer's report - it is attached to below

Antenna work update:

DXCC antenna is up, 2 ground rods are in, still needs tuned come spring. Earle checked some of the antennas, need more ground rod wire to finish bonding. Purchased 2 grounding boxes.

Club dues will increase in 2026 from \$10 to \$15; donations welcome to keep funding the station and for insurance costs - cash or items donated are appreciated

Officer elections for 2026:

We need volunteers or we need to edit the bylaws. They need updating to be in tune with modern technology. We would need to suspend the current rules, and rewrite new ones, if no one runs for office. Input from members is needed. We need more involvement and people to chair events: bike ride, ham fest, public relations, Field Day etc.

Open to suggestions/changes to the existing bylaws once we e-mail them out.

Virtual options for meetings have been suggested by members; can we do that?

Cohost events with other clubs: TARA and WC9IN cookout next year / Get with W9YB and do stuff with them? Host more club events – need chairpersons to arrange

WI9RES is on our calendar for our December Meeting

WC9IN Tuesday night net runs every other Tuesday night at 7:00 PM – please join us

Monday at 8:30 PM District 4 ARES net on the WC9IN link system. Will be the third Monday of each month.

January 24-25, 2026 is winter field day

Ham fest; Need someone to plan, free location available, see Earl for info

Meeting adjourned at 7:57 PM
