Alan opened the meeting at 7:00 p.m.

Everyone introduced themselves

Meeting minutes for May or emailed and posted to Discord

Amelia Earhart special event station W9E event will be July 25th at Prophetstown State Park in conjunction with the WC9IN / TARA summer cookout

TARA is providing the funds for the main course - \$100

Treasurer report was given by Earle and is attached below

Alan gave information on the W9E special event and field day

We need volunteers for both

Should we do QSL cards for the special event? People are asking for them. There was discussion in detail that followed. We would need someone to design it. Brandon W9BDH then submitted a digital copy via Discord that was forwarded to the board members for review.

We will not need to update our bylaws as the family membership is already in there. Michelle was able to locate it and show it to Alan.

Need volunteers for field day: operators, tear down, set up, someone to cook, site planning, antenna selection, GOTA station. We will operate as a 2A

Do not bring your own radios to field day. Everything is being coordinated and we will have our club radios and antennas there to operate from. Setup will start on Friday after 2:00 p.m.

Field day starts at 2:00 p.m. on Saturday and runs until 2:00 p.m. on Sunday. (June 27-28)

We need a 2 KW generator for the camper, inverter preferred

Need help putting up antennas and vertical mast

Need a flyer to distribute to the media

Batteries and solar power

If Earl cooks, dinner will be at 6:00 p.m. on Saturday. Someone else can volunteer also, the club will pay for the food; just turn in receipts.

The meeting adjourned at 8:04 p.m.
